Cody,

Your citation does not address the question you raised. Kindly double check it.

Ms. Bailey and I discussed the volume produced by the three requests. We have agreed on a rolling response beginning today with FOIA Request #2, then #4, actually #3, which I incorrectly labeled. We also provided bracketed search terms to assist in producing a more manageable response that fits a rolling response. This approach is preferred rather than 30 days for all documents.

Cody,

That is a case specific ruling addressing the use of FOIA to avoid discovery and is inapplicable in this case. In the Court's August 13, 2021, ruling on your motion for a protective order, Judge Miller did not impose a response period for FOIA requests in this case.

See Dkt #96.
